

TAGMA-INDIA is an all India association of the Tooling Industry, established in the year 1990 with Registered Office in Bangalore, Secretariat in Mumbai and Chapters in Bangalore, Chennai, Coimbatore, Gurugram, Hyderabad, Mumbai, Noida, Pune and membership of 620 companies.

We serve as a forum for the Indian Tool Room & Die and Mould Industry whose activity involves design, sales or manufacture of dies for pressing, stamping, punching and forming; injection and compression moulds; die casting dies; patterns and pattern equipment; jigs and fixtures; standard tooling components; CAD/CAM; rapid prototyping; gauges; precision machining; special machines and related products.

INITIATIVES FROM TAGMA IN DRIVING THE TOOLING INDUSTRY TOWARDS SELF SUFFICIENCY

TAGMA Centre of Excellence and Training (TAGMA CET)

A Common Facility Centre "promoted by TAGMA and Funded by DHI", is coming up at Chakan, Pune. The construction of facility is in full swing.

We invite Equity participation from the industry for these noble cause and promote the concept of cluster facilities for the growth of the Tool & Die industry
